To Whom It May Concern:

Due to illness, I did not complete a Form 471 requesting funding for a CyberPower battery backup before the deadline of March 27, 2019. I am requesting that I am allowed to file the Form 471 on March 28, 2019. Also, the final decision on the bidding process could not be completed until March 27, 2019.

Thank you for your consideration.

Sincerely,
